I can - describe how reasons support specific points the author makes in a text.

Camping is my most favorite thing to do. I love being outdoors. I enjoy seeing all the different animals. During the day, I like to hike around the woods and fish. At night, I like to roast marshmallows and hot dogs over the campfire. I love seeing the night sky with all the stars. I like to read a book in my tent and listen to the crickets chirping. Camping is the best.
