RL.2.5 Reading Literature

I can describe the overall structure of a story, including describing how the beginning introduces the story and the ending concludes the action.

Henry the bunny was very hungry. He wanted to get some carrots from Mr. Fred's garden. He was very afraid of Mr. Fred, but he was very hungry too. Henry decided he would sneak into Mr. Fred's garden in the morning before Mr. Fred woke up. So the next day, Henry woke up bright and early and crept very quietly across the field to Mr. Fred's garden. He was so nervous that he tripped over a shovel. The shovel fell over and hit some buckets that came crashing down and made the loudest noise. Mr. Fred woke up and ran out to the garden to see what was going on. When he got out to the garden, he saw Henry the bunny running back across the field with a bunch of carrots in his mouth. That night, Henry had some warm carrot soup for dinner.

Cut and paste to put in the correct order.
