Name _____

I can – describe how words and phrases supply rhythm and meaning in a story, poem, or song.

I really want that cookie.
I can see it in the jar.
I really want that cookie.
It is not too far.
I can get the cookie and
eat it with some milk,
but my baby sister will see me and
I will have such guilt.
I'm going to eat the cookie,
but I will try to hide
from my baby sister that is
sitting is by my side.
As I eat the cookie, I have no care,
but my sister sees me and
knows that it's not fair.
So, I give my baby sister
some of my cookie
because it's
always nice to share.
